

# Projects Wanted!

The Waneta Terrestrial Compensation Program (WTCP) provides annual funding to eligible conservation projects located in the Waneta, BC area.

The goal of the WTCP is to provide financial support to projects that promote conservation and restoration through research, physical works, and other “on the ground” or applied projects. The WTCP will allocate up to \$50,000 annually towards projects that:

1. Are located within the Waneta area
2. Have a terrestrial ecosystem focus
3. Benefit the natural environment

### *Eligible projects include:*

- Research
- Habitat creation (e.g. restoration, rehabilitation)
- Habitat protection (e.g. livestock fencing)
- Species inventories
- Educational programs
- Development of management plans
- Weed control
- Land acquisition

Interested applicants are required to complete a standardized funding application form. Deadline for applications is **January 31**. Successful proposals are announced on **March 01** of each year. The WTCP is open to “for-profit” and “not-for-profit” organizations and individuals.
